

Application to visit Australia for tourism or other recreational activities

Please read the following information carefully **BEFORE** you complete your application.

Who should use this form?

Use this form if you are outside Australia to apply for a visa to visit Australia for tourism or other recreational activities (holiday, sightseeing, social or recreational reasons, to visit relatives or friends, or other short-term non-work purposes including study).

- If you want to apply for a Sponsored Visitor visa, you will need to complete form 48S, and your sponsor will need to complete form 1149.
- If you intend visiting Australia for medical treatment you should use form 48ME.
- If you intend to study in Australia for more than 3 months you should apply for a student visa. Please contact the nearest Australian overseas mission for information on student visa applications, including the correct application form.
- If you intend visiting Australia for a short business trip (including attending a conference) you should use form 456.

You must complete all questions in all sections. Failure to answer any question completely and accurately may result in the application being refused, or the visa may be cancelled at a later date.

Types of visitor visas

A visa must be obtained **BEFORE** travelling to Australia. A visitor visa granted following the processing of this application will be in the form of a label, placed in your passport. A visa may be for a single entry or for multiple entries. Following an assessment of your application by a visa officer, a decision will be made on whether or not to grant a visa and for what period of time. The type of visa, length of stay, conditions and a number of entries will be indicated on your visa label (see page 3 for details).

A **SHORT STAY VISITOR VISA** is for a stay in Australia of up to 3 months.

A **LONG STAY VISITOR VISA** is usually for a stay in Australia of up to 6 months. Exceptions can include aged parents visiting children (up to 1 year stay) or a parent caring for a young child enrolled in formal studies (11 months renewable each year for the length of the course).

Application Charge

There is a non-refundable application charge which must accompany each application.

- The application cannot be processed until this charge has been received.
- The fee will not be refunded if a visa is not granted.

Who can you include in this application?

Only one passport-holder can apply on one form. You can include in your application any children **on your passport** who will be travelling with you. If another adult is included in your passport they should complete a separate application form.

Conditions for a tourist visa to Australia

Visitors to Australia must be willing and able to abide by the conditions listed below while in Australia. If you are unwilling or unable to abide by these conditions you should not apply for a visa. If you do not abide by these conditions, your visa may be cancelled or you may be subject to other penalties. If you have any questions or concerns about the conditions, you should ask for more information from an Australian overseas mission.

CONDITIONS

8101 – You must NOT work while in Australia.

8201 – You must NOT study for more than 3 months while in Australia.

8205 – Where this condition applies, and you intend to study for longer than 4 weeks, you are required to pass a chest x-ray examination before you are able to commence study.

8503 – No Further Stay.

Following an assessment of your application, a visa officer may decide to apply the 8503 condition on your visa. The 8503 (or No Further Stay) condition means that the holder of the visa on which the condition has been imposed will not, after entering Australia, be entitled to be granted any other visa¹, while the holder remains in Australia.

The effect of this visa condition is that it will not be possible for you to apply to remain in Australia beyond the authorised period of stay shown on your visa label. It is particularly important, if your visit to Australia is to attend a specific event, that you organise your travel so that you can attend these events within your authorised period of stay as you will not be able to extend your period of stay in Australia.

If the 8503 condition is imposed on your visa, it will be indicated on the visa label with the words 8503 – NO FURTHER STAY.

There may be other conditions depending on the purpose of your visit.

¹ Except in extremely limited circumstances which are outside your control, or to engage Australia's protection obligation under the 1951 UN convention relating to the status of refugees.

How to apply

- Complete the application form. Please note that false or misleading information may lead to refusal or cancellation of your visa, or penalties while in Australia. The completed application form can be lodged at your nearest Australian overseas mission.
- You may arrange for another person to help you complete the application form, but you must sign it. If you have been assisted in completing the application form, you should only sign the declaration(s) if the information in it is true and correct.
- Lodge your application form, the application charge, your passport and any attachments at the nearest Australian overseas mission. Your application may be lodged personally, by your representative or sent by mail.
- Please follow any directions given by the visa processing officer as to medical or x-ray examinations that may be required.
- On the return of your passport and visa, check the details and conditions on the visa label carefully. If you have any concerns or questions about the requirements or limitations, you should contact the office that granted the visa **before** travelling to Australia. You should not assume that any changes to your immigration status can be made after your arrival in Australia.

Residential address

You must provide the address where you intend to live while your application is being dealt with. Failure to give a residential address in your application will result in your application being invalid. A Post Office box address will not be accepted as your residential address.

Health insurance

It is recommended that you take out health insurance for you and your family for the period of stay in Australia. You will not be covered by Australia's national health scheme, unless you are covered by a reciprocal health care agreement.

Vaccinations

If it is your intention to enrol your child in an Australian school or childcare centre (creche or preschool) during your visit to Australia, you are strongly encouraged to carry certification of your child's vaccination status.

Vaccination is recommended against polio, tetanus, measles, mumps, rubella, diphtheria, pertussis (whooping cough), Haemophilus influenzae hypo (Hib), and Hepatitis B.

Certification may be sought at time of enrolment.

Note: Vaccination against rubella is also recommended for women of child bearing age.

Consent to communicate electronically

The Department of Immigration and Multicultural and Indigenous Affairs (DIMIA) may use a range of means to communicate with you. However, electronic means such as fax or e-mail will only be used if you indicate your agreement to receiving communication in this way.

To process your application DIMIA may need to communicate with you about sensitive information, for example, health, police checks, financial viability and personal relationships. Electronic communications, unless adequately encrypted, are not secure and may be viewed by others or interfered with. If you agree to DIMIA communicating with you by electronic means, the details you provide will only be used by DIMIA for the purpose for which you have provided them, unless there is a legal obligation

or necessity to use them for another purpose, or you have consented to use for another purpose. They will not be added to any mailing list.

The Commonwealth Government accepts no responsibility for the security or integrity of any information sent to DIMIA over the internet or by other electronic means.

If you authorise another person to receive documents on your behalf and they wish to be contacted electronically, their signature is required on the form to indicate their consent to this form of communication.

Authorisation of a person to act and receive communication

You may authorise another person to act on your behalf in connection with your application with DIMIA. If so, you will need to complete form 956 *Authorisation of person to act and receive communication* which is on the last page of this form.

Nominating a person to act on your behalf includes authorising DIMIA to send to that person any communication relating to your application that would otherwise have been sent to you. You will be taken to have received any documents sent to that person as if they were sent to you.

Use of a migration agent

You are not required to use a migration agent to assist with your application. However, in the event you wish to use a migration agent, a list of registered migration agents is available from the Migration Agents Registration Authority (MARA) or the offices of DIMIA.

You can contact the MARA at:

PO Box Q1551
QVB NSW 1230
AUSTRALIA

Fax: +61 2 9299 8448

Website: www.themara.com.au

Registered migration agents are bound by the Migration Agents Code of Conduct and generally charge for their services. The MARA investigates complaints against registered migration agents and may take disciplinary action against them. If you have a concern about a registered migration agent, you can contact the MARA.

Under Australian law, anyone who uses knowledge of migration procedures to offer advice or assistance to a person wishing to obtain a visa to enter or remain in Australia must be registered. If you intend to use a migration agent, you are advised to use a registered migration agent.
